

## **BID Announcement for Companies**

Cabinda Gulf Oil Company Ltd (CABGOC), Chevron subsidiary is one of Angola's top petroleum producers, is going to be issuing a Tender for the services described below:

### **BID Announcement Number: 2023.05.02 - RFBA - 192 - FE**

#### **Scope of Work:**

Contractor shall provide the following services:

Contractor shall provide decommission of well head platform (WHP), Flare structures and pipelines which have no future utility in accordance with PD91/18. The overall scope of work will encompass the following:

- Inspecting the pipeline(s) for leaks and the presence of Naturally Occurring Radioactive Material (NORM) at tube turns and risers.
- Removing the casings associated to the wells of WHP.
- Flushing / cleaning the connecting pipelines between WHP/remote Flare structure and associated production platforms in accordance with PD 98/3 (30ppm hydrocarbons).
- Abandoning the connecting pipeline(s) between the WHP/remote Flare and production platform(s) in place by cutting the lines at each end and burying the ends 1m (3 feet) below the mud line.
  - ♠ Uncover tube turn near the Jacket if buried or covered with debris.
  - ♠ Remove a 5-10-foot-long section of horizontal pipeline past the tube turn. Secure/transport removed section with Jacket.
  - ♠ The horizontal section of tube turns which remains attached to the Jacket should not protrude more than 5 feet to avoid longer cantilevered sections.
  - ♠ Jet down the end of the pipeline to be AiP a minimum of 3 feet below natural bottom.
  - ♠ Cover the end of the AiP pipeline with 3:1 bag to be level with surrounding natural bottom.
- Removing risers (production and WHP/Flare side)
- Cutting the jacket legs and piles 5m below the mudline using an internal or external cutting method.
- Lifting and backloading the jacket and piles and other associated salvaged material on barges.
- Onshore offloading and proper disposal of the salvaged material at an approved disposal facility.
- Verify compliance with end-state requirements for each location.
- Deliver as-left completion documentation.

If a company is qualified based on the described services and material provider and is interested in being considered for participation in that tender they can submit their information through our website <https://angola.chevron.com> Suppliers page, BID Announcement; fill the Supplier information form and forward to [concurso@chevron.com](mailto:concurso@chevron.com) within the time stipulated in the internet.
