

## BID Announcement for Companies

Cabinda Gulf Oil Company Ltd (CABGOC), Chevron subsidiary is one of Angola's top petroleum producers, is going to be issuing a Tender for the services described below:

### BID Announcement Number: 2024.02.07 - RFBA - 257 - SS

#### Scope of Work:

Contractor shall provide the following services:

Supplier shall provide telecommunication circuits according to bandwidth capacity specified to allow connection between Company facilities within international, domestic and/or metropolitan locations. Supplier shall also provide reliable and high-speed internet services according to specification on technology (fiber or MPLS), bandwidth capacity and symmetry.

**For the telecommunication circuits service**, Supplier shall be responsible for the installation, functional and activation tests, conducting site survey prior to the installation of the telecommunication circuits, configuration and implementation of required materials and operation and maintenance of all circuits. Supplier shall provide an end-to-end monitoring of the circuits and alert Company immediately when the service encounters any performance degradation or outage.

Requirements for circuit acceptance by Company:

- **For Dark Fiber** - Single Mode (SM) distance over 2Km, SM = < 0.5 dB loss per Km for 1310nm source, SM = < 0.4 dB loss per Km for 1550nm source,
- **For MPLS connection** - Connection test running for 24 hours error free (0 errors), Traffic report proving bandwidth capacity available (WAN Killer test), Stable network connection (no flapping)
- **Point-to-Point connection** - Connection test running for 24hours error free (0 errors), Traffic report proving bandwidth capacity available (WAN Killer test), Stable network connection (no flapping)

**For the internet service**, Supplier shall have reliability and shall be per Company satisfaction and requirements in alignment of the following specifications:

- Internet performance and availability monitoring
- Stable and secure internet connection (no flapping) at all anytime
- Full Wi-fi coverage to all areas of the premises where internet service is being installed.
- All parts shall be of high-quality workmanship, and no equipment part or equipment attachment shall be substituted or applied contrary to the manufacturer's recommendation and standard practices.

If a company is qualified based on the described services and material provider and is interested in being

considered for participation in that tender they can submit their information through our website <https://angola.chevron.com> Suppliers page, BID Announcement; fill the Supplier information form and forward to [concurso@chevron.com](mailto:concurso@chevron.com) within the time stipulated in the internet.
