

### **BID Announcement for Companies**

Cabinda Gulf Oil Company Ltd (CABGOC), Chevron subsidiary is one of Angola's top petroleum producers, is going to be issuing a Tender for the services described below:

#### **BID Announcement Number: 2025.04.14 - RFBA - 350 - PROD OPS**

#### **Scope of Work:**

Contractor shall provide the following services:

- The contractor is required to provide qualified technicians for corrosion monitoring, specifically for the roles of Field Service Technician and Corrosion Support Analyst. The Field Service Technician is responsible for inspecting and servicing corrosion monitoring devices, interpreting corrosion data, managing and reporting findings, installing and maintaining monitoring equipment, conducting microbial monitoring, and coordinating with engineering and operations teams. They also plan and coordinate maintenance activities and adhere to safety protocols. The Corrosion Support Analyst provides technical support for materials and corrosion management, collects and manages corrosion-related data, monitors fluid chemistry, and prepares corrosion control documentation. They contribute to monthly meetings, manage performance metrics and data quality, support inspection surveys, and assist with scheduling maintenance for defective monitoring locations. Additionally, they support risk assessments and failure investigations to prioritize inspection and mitigation activities.

If a company is qualified based on the described services and material provider and is interested in being considered for participation in that tender they can submit their information through our website <https://angola.chevron.com> Suppliers page, BID Announcement; fill the Supplier information form and forward to [concurso@chevron.com](mailto:concurso@chevron.com) within the time stipulated in the internet.
