

BID Announcement for Companies

Cabinda Gulf Oil Company Ltd (CABGOC), Chevron subsidiary is one of Angola's top petroleum producers, is going to be issuing a Tender for the services described below:

BID Announcement Number: 2023.05.31 - RFBA - 201 - WELLS

Scope of Work:

Contractor shall provide the following services:

- Contractor shall provide Health, Safety and Environment (HSE) advisory Services, including but not limited to oversight, supervision, training, coaching, and mentoring of operations performed at Company's work locations onshore and offshore in the Republic of Angola. The objective of the HSE advisory Services is to reduce and/or eliminate occupational hazards in Company's Area of Operations and to ensure compliance with Company's and Company's business partners' HSE standards and procedures, and governmental regulations.
- Contractor shall provide Well Site Representatives, including but not limited to onsite supervision of well intervention work in Company's Area of Operations. The operations cover wireline, coiled tubing, Hydraulic Workover (HWO) and or workover rig operations. Examples of the work scope include but are not limited to sand control, acid stimulation, perforating, fishing, plug and abandonment (P&A), gas lift, and installing submersible pumps. The work environment is complex with marine logistics, aging facilities, and management of business partners. An important aspect of the role is coaching and mentoring of younger Angolan workforce.

If a company is qualified based on the described services and material provider and is interested in being considered for participation in that tender they can submit their information through our website <https://angola.chevron.com> Suppliers page, BID Announcement; fill the Supplier information form and forward to concurso@chevron.com within the time stipulated in the internet.
