

## **BID Announcement for Companies**

Cabinda Gulf Oil Company Ltd (CABGOC), Chevron subsidiary is one of Angola's top petroleum producers, is going to be issuing a Tender for the services described below:

### **BID Announcement Number: RFBA-033-FE-2019**

Scope of Work

Pipeline inspection services using “smart” foam pigs

Contractor shall provide equipment and personnel on an “as needed” basis upon request by Company to support individual inspection campaigns within Company's ongoing pipeline integrity management and flow assurance program. Company shall work with Contractor to provide enough pipeline data and ensure each line is fit to safely receive and run Contractor's equipment.

Contractor shall provide Integrated Cleaning and Inspection Tools from 4” to 42” diameter based on pipeline specific data, such as pipe diameter, length, type of survey desired, pig trap accessibility, expected pipe condition, existing maintenance pig design and dimensions, and overall cost.

Company expects to execute the scope of work in a series of pigging campaigns over a five-year period. Company expects to execute the scope of work with no prior pre-inspection pipeline cleaning.

The area of operations shall be Company's offshore and onshore facilities in Malongo in the Republic of Angola.

If a company is qualified based on the described services and material provider and is interested in being considered for participation in that tender they can submit their information through our website [www.angola.chevron.com](http://www.angola.chevron.com), Suppliers page, BID Announcement; fill the Supplier information form and forward to [concurso@chevron.com](mailto:concurso@chevron.com) within the time stipulated in the internet.
